General Assembly at Tennessee Polytechnic Institute

Alfred Pedigo Editor

CECIL CHAFFIN Manager

# THE EAGLE 1941 VOLUME 16

Published by the Student Body of

# TENNESSEE POLYTECHNIC INSTITUTE

COOKEVILLE, TENNESSEE

# FOREWORD

It has been the purpose of the 1941 EAGLE to present life on the campus as it really is—a life of honest effort to attain the highest ideals and noblest living. And so, if many years from now, this book may bring back memories of friendships, achievements, and pleasant experiences of life on the campus during 1941, the purpose of the annual will be completed.

Administration Building

# DEDICATION

In honor and appreciation of the untiring effort shown in her twenty-three years of service at Tennessee Tech; and because of her kindness, devotion, and loyalty to the student body, this 1941 Tech Eagle is dedicated with sincerest appreciation to Miss Mary Harden.

Library . . . Probably the most frequently visited spot on the campus is the library located in the Administration Building.

Registration . . . Once every three months you will see students filling out schedule cards and signing up for another quarter of schoolwork.

Tennessee Tech Band

The band struts its stuff at the inaugural ceremony of the Governor of
Tennessee.

Chapel Time
9:30 A.M. and classes are out for the
weekly general assembly. Students stop
to chat along the way.

CAFETERIA

It's time to eat and how good the food does taste after listening to lectures or working on an unknown in chemistry.

CLASSROOM
Students listen attentively to a lecture
on American prose.

Sewing Class

A class receives instruction in the art
of dressmaking and sewing.

Embryo Engineers

During the spring one may see small groups of freshmen surveyors sighting through transits and getting data for their drawing plan of the campus.

Engineering Drawing

The freshman engineer usually spends
the greater part of his extra time in
the drawing room working up drawing
plates.

Typing Room The class in typing look very serious. Could it be a speed test?

Physics Laboratory
In this laboratory many students are
led through the mysteries of light,
sound, and electricity.

CHEMISTRY LABORATORY
Freshman students have the task of finding the contents of an unknown compound.

# PRESIDENT DERRYBERRY

Students of Tennessee Tech have learned to like our new president in the short time that he has been with us. Along with a striking personality, our president is a distinguished scholar, having won a Rhodes Scholarship in 1928. The students sincerely wish that President Derryberry will spend many years as the presiding officer of our great institution.

# DEAN SMITH

Twenty-five years of service have endeared Dean A. W. Smith to the student body of Tennessee Tech. He will be remembered by his wit and humor which are used to a great extent when he makes announcements in chapel.

# DEPARTMENT OF AGRICULTURE Mr. Overall, Mr. Conry, Mr. Huddleston

The purpose of the Agricultural Department is to prepare men for positions in agriculture so that they may help improve living conditions, farms, soils, crops, and livestock in our country.

#### Department of Business Administration

Mr. Johnson, Mr. Cameron, Mr. Woodward

The program of work in this curriculum affords opportunity to students to select as a field of specialized study either accounting, general business, or secretarial training.

## Department of Education Mr. Farr, Mr. Lane

The main function of this department, which is found in the statute creating the institution of Tennessee Polytechnic Institute, is to train teachers for the elementary and secondary schools of Tennessee.

#### DEPARTMENT OF ENGINEERING AND INDUSTRIAL ARTS

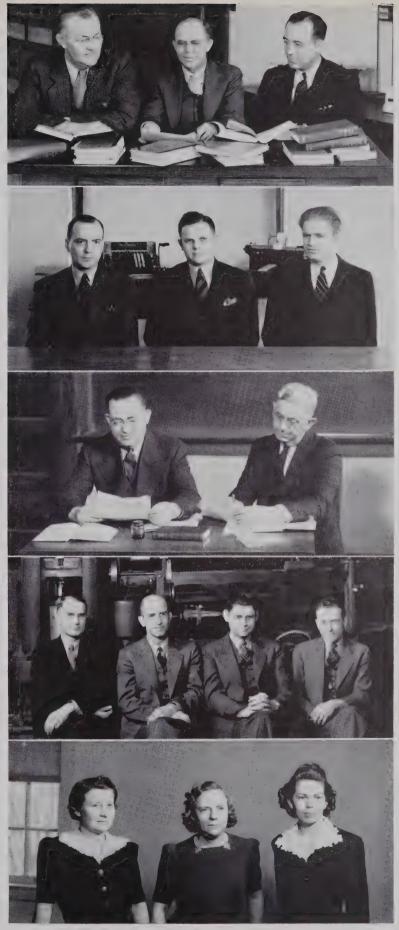

Mr. Henderson, Mr. Mattson, Mr. Lee, Mr. Byrns

This department affords the student an opportunity of securing the thorough, fundamental, and technical education which is necessary for one of the highest types of professional work.

#### DEPARTMENT OF HOME ECONOMICS

Miss Sell, Miss Margaret Johnson, Miss Dorothy Johnson

The two main functions of the Department of Home Economics are to provide general academic training, and to prepare teachers of home economics for high school positions.

#### DEPARTMENT OF BIOLOGICAL SCIENCE

Mr. Gregory, Mr. Bartoo

The courses in biology are intended to meet the needs of those students who are preparing to enter medical schools.

#### DEPARTMENT OF ENGLISH Mr. Passons, Mr. Hatfield, Mr. Meadows

The Department of English has two main purposes: to give the student a thorough mastery of the English language, and to develop in him an understanding and appreciation of literature.

#### DEPARTMENT OF HEALTH AND PHYSICAL EDUCATION

Mr. Stowe, Miss Jobe, Mr. Frey

The specific aims of this department are to instruct youth so that they may conserve and improve their own health, and to improve the individual and community life of the future.

#### Department of History and Political Science

Mr. Bruner, Mr. Pinkerton

The aims of this department are to provide a general cultural background and to aid in equipping the student for his duties as a citizen.

#### DEPARTMENT OF MATHEMATICS Mr. Hutchinson, Mr. Moorman, Mr. Duncan

Mr. Duncan

The courses in mathematics are designed to develop an appreciation of the service which mathematics has rendered in the development of civilization.

#### DEPARTMENT OF PHYSICAL Science

Mr. Dicus, Mr. Ashburn, Mrs. Stowe

The aim of this division is to present the fundamental principles of physics and chemistry. By means of lectures, laboratory work, and demonstrations, the student is introduced to these principles.

#### DEPARTMENT OF FOREIGN LANGUAGES Mr. McGee

The foreign language department's aim is to develop the ability to read and speak a language with some degree of rapidity and to enable the student to understand his own language better.

#### Library Mr. Snelgrove

Mr. Snelgrove, with the help of eighteen students, keeps an up-to-date and well equipped library.

#### Division of Music Mr. Haste

The music division aims to develop in students talent and appreciation for music.

#### SPRING QUARTER AND N. Y. A. Instructors

First row—Miss Stagner, English;
Mrs. Terry, Education.
Second row—Mr. Fowler, History;
Mr. Underwood, Education; Mr.
Lewis, N. Y. A.; Mr. Byrom,
N. Y. A.

SECRETARIES TO THE ADMINISTRA-TION

Miss Helen Johnston, Secretary to the President.

Miss Altie Hays, Secretary to the Dean.

Miss Hazel Wall, Secretary to the Bursar.

MR. KITTRELL, Bursar

South Hall

Industrial Arts Building

### ASSOCIATED STUDENT BODY

James Seay Brown

Kern Pitts

Mary John Lee

William Jarrell

#### OFFICERS

The Associated Student Body is an organization composed of all the enrolled students.

The objectives of this student unification are to provide closer contact between the administration and the students, and to promote the social functions for the benefit of the students.

The officers of the organization are elected annually in a student election from candidates nominated by the various college classes, one officer being selected from each class.

Last fall the students, under the direction of the officers of the A. S. B., together with the faculty, gave a reception in honor of the freshmen. This group also sponsored the homecoming event. This year, for the second time, a float parade was planned for the day. The annual home-coming dance was held in the gymnasium in the evening in honor of the alumni.

In the winter, the A. S. B. instigated a Valentine dance in which the theme of the day was put forth.

In the spring, the association worked with the senior class in presenting the annual crowning of the May Queen and the May Day dance.

The expenses of the organization were liquidated with funds set aside from the Student Activities fee.

# SENIOR CLASS

Anna Ruth Thompson	. Secretary
Clarence Huddleston	reasurer

Much water has gone under the bridge since two hundred and forty-four green freshmen entered Tech September, 1937. As the years have passed the rough spots have been brushed off and now the one hundred survivors of this group have acquired the polish and poise necessary to make them dignified seniors. During these years, this group has proved itself loyal to Tech and her ideals. The class has taken active part in all the phases of college life. It has given much to extracurricular activities: sports, debating, band, orchestra, chorus, and student Christian work. It has maintained a good scholastic record also. This year the class has furnished the captains of both the football and the basketball teams; presidents of the "T" Club, Pi Kappa Delta, Associated Student Body, and T. C. A.; editor of The Eagle; Miss Tech; Bachelor of Ugliness; Prince of Personality; and presidents of most of the departmental clubs. Ten members of the senior class have been elected to Who's Who in American Colleges—four last year as juniors and six this year. Because of world conditions, the greatest opportunities of the age are open to this year's graduates. Luck to you, class of 1941; may you continue in later years the good work you have started at Tech!

# JUNIOR CLASS

Glen Davis

William G. Hart

Jean Scott

James Crouch

#### **OFFICERS**

The junior class of 1941 entered Tennessee Tech September, 1938, as a group of two hundred seventy-eight freshmen, but only one hundred and fifty are still in school. This class from the beginning has been an active one. Many of our best athletes are members of this class. It has also furnished Tech many leaders in all fields of extracurricular activity. The Pi Kappa Delta, the band, chorus, orchestra, The Eagle, and Oracle owe much to this class. The scholastic record of the class has been good. Five juniors were elected to Who's Who in American Colleges this year. The junior class furnished the editor of the 1940-41 Oracle, Tech's Sweetheart for 1941, and the football queen for 1940. It has also furnished the football manager for the past two years. The class has taken active part in departmental clubs and student Christian work and several juniors hold important offices in these clubs.

	EVELYN MARTIN		ecretary
) r r	FEN MATORS	Treasu	rer

This class entered Tennessee Tech September, 1939, as one of the largest in the history of the school. It has been one of the most active also. As freshmen, members of the class became active in all fields of extracurricular activities. The class was represented on both publications, in the debating club, the band, the orchestra, and the chorus. Some of the best scholastic records of last year were made by members of this class. This year the class has been even more active. The number on both publications has increased. Football, basketball, track, and tennis owe much to this class. Practically every departmental club on the campus as well as the T. C. A. has sophomore officers. Pi Kappa Delta was well represented by this class in the State Speech Tournament this year, two of the sophomore girls winning second and one third place. The class has maintained its scholastic record. It is one of which Tech may well be proud for many of its members have the ability to go far in life.

# FRESHMAN CLASS

Tom Campbell

Algood Vaden

Joanne Harrison

Bob Shannon

#### **OFFICERS**

Three hundred and twelve freshmen, the largest freshman class in the history of Tennessee Tech, enrolled September, 1940. This class, known not only as the biggest but also as the most intelligent looking group of freshmen in the history of the school, seems well on its way to fulfill the best expectations. The class is well represented in the band, orchestra, chorus, debating club, departmental clubs, the two publications, and the T. C. A. If the success of the freshman football and basketball teams can be taken as any indication, the future athletic teams of the school will owe much to this class. The class hasn't neglected classroom work in this active participation in outside activities but has made, on the whole, a very good scholarship record.

## AERONAUTICS

Ground School Held in the Industrial Arts Building

In October, 1940, Tennessee Tech inaugurated its first course in aviation. A unit of the Civilian Pilot Training Program for the training of pilots was secured. Twelve students completed the course and all passed the examination for a private pilot certificate with every grade above eighty per cent. In February a second class was organized and its members expect to become full-fledged pilots by June.

# FEATURES

# BACHELOR - of UGLINESS

Malcolm Clark was chosen in a student body election as an outstanding senior possessing good qualities of leadership, personality, intelligence, and popularity. Mr. Clark is an agriculture major and hails from Clay County.

## MALCOLM CLARK

## MISS TECH

Charlotte Wiley of Manchester was the senior girl elected by the student body as having excellent qualities of leadership, personality, intelligence, and popularity. Miss Wiley follows the footsteps of her sister, Doris, who attained the same honor in 1931.

## CHARLOTTE WILEY

## PRINCE OF PERSONALITY

Howell Bush was elected to this bonor as possessing courtesy, manly qualities, culture, and style. Mr. Bush is from Woodbury and is very active in athletics.

## HOWELL BUSH

## TECH'S SWEETHEART

The honor of being the school's representative of the girl possessing much facial beauty, good figure, pleasing style, and culture goes to Jean Scott of Lenoir City. Miss Scott is secretary of the junior class this year.

## JEAN SCOTT

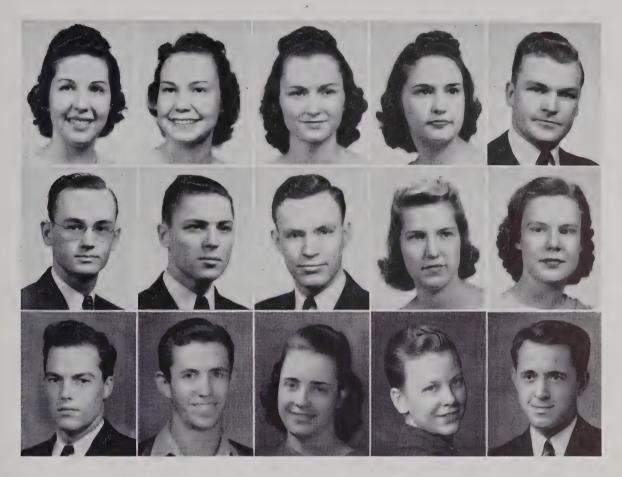

## MAY QUEEN

The highest honor that can be given to a girl student at Tennessee Tech is that of being chosen May Queen. Miss Ruth Grace of Baxter, having attained many honors and achievements, was elected to be the leading lady at the May Day festivities.

## RUTH GRACE

## WHO'S WHO

### Among Students in American Universities and Colleges

Students selected by the departmental heads for inclusion in the Who's Who in American Universities and Colleges must show outstanding qualities in character, leadership, scholarship, and potentialities. A publication of the names of these students from different schools is edited at University, Alabama.

## THEEAGLE

Alfred Pedigo
Editor

Cecil Chaffin
Manager

THE EAGLE staff has worked cooperatively this year to give the students a book of happy remembrances. It is the sincerest wish of the editor and all who have aided in publishing this book that you will like our work.

Seated, L. to R.—Ethel Stamps, Alfred Pedigo, Cecil Chaffin, Ralph Pedigo, and Elizabeth Rose
Standing, L. to R.—Mary John Lee, James Crowley, Woodrow Wilson, Garnett Bridges, and
Thurman Whitson

Staff members not present are James Seay Brown and John Ellis

## THETECHORACLE

Kern Pitts
Editor

Charles Culbert
Manager

The *Oracle* was first published in 1924 with a circulation of approximately seventy-five. Now the official publication of the institution has a circulation of over twelve hundred. During the school year, the staff has tried to edit a paper that the students would enjoy and, at the same time, publish the news of the various departments of the school and cover the happenings in general on the campus.

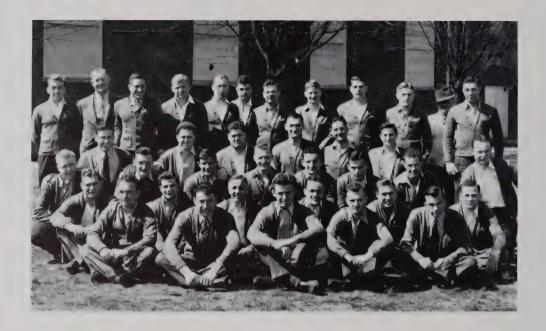

Seated, L. to R.—Nancy Travis, Charles Culbert, Kern Pitts, Virginia L. Fritts, and Martha Barrom

Standing, first row—Charles Cagle, Stanley Higgins, Neil Coppinger, Margaret Plumlee, Glenice Tinch, Wyndolyn Barker, Sadler Quarles, and John Lineham

Second row-McGill Vaden, Bob Shannon, and Joe Lane

Members not shown are Chester Womack, Woodrow Wilson, Amelita Horn, Willie Mae Barker, and Betty Love Moore

## "T" CLUB

First row—Carroll, King, Cobbs, Russell, Sadler

Second row-Hall, Rukavina, Tucker, Hutcheson, McDonald, Henley

Third row—Hill, A. Rushing, Hickerson, Huddleston, J. Rushing, Stubblefield, Bridges, Doris

Fourth row—Lewis, Mullican, Hunter, Sulentic, Priest, Keisling

Fifth row—Davis, Coach Overall, Bilbrey, Gracey, Womack, Johnson, Billings, Wells, Jennings, Alford, Coach Frey, Abel

### OFFICERS

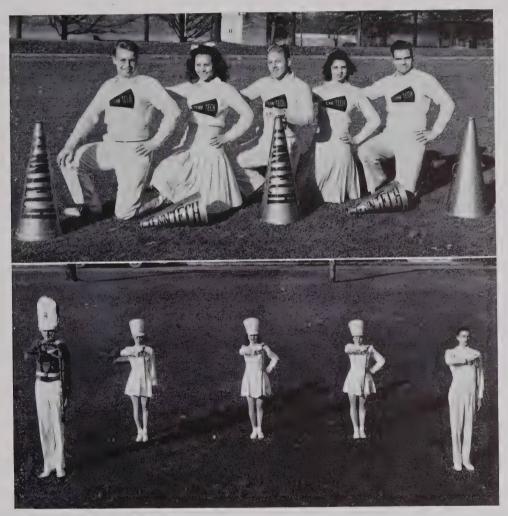

ROMAIN BILLINGS President
GLEN DAVIS
Walter Wells
I. C. STUBBLEFIELD

The "T" Club is open to letter men in all the major branches of sports. It is a well organized club whose purpose is to strive to maintain clean, hard competition and to promote and create a greater interest in all lines of athletics. The club also furnishes entertainment for its members. The greatest event in the club's social calendar is an annual dance.

## CHEERLEADERS

The inspiration which a football team gets depends to a great extent on the student body and the student body depends upon the efforts of a well organized and coordinating group of cheerleaders.

LINEHAM, WEBB, WALKER, ISBELL, DICUS

CAMPBELL, BARKER, HODGES, WISEMAN, BRIDGES

## DRUM MAJORS

Here are the drum majors and majorettes who led the Tennessee Tech band to widespread fame during 1940-41. Their fancy stepping added zest to the parades they were in.

## MUSIC

### SWING BAND

Under the direction of Billy Trigg, the Tennessee Tech swingsters provided entertainment for many groups. They appeared at chapel exercises several times during the year, and it was interesting to tune in on the local radio station to hear them as the "Dixie Ambassadors."

### BAND

Through the untiring efforts of Maurice Haste, music director, the Tennessee Tech Band has gained widespread attention throughout the Upper Cumberland region. Among the many achievements was an invitation to the Cotton Carnival in Memphis and also the privilege of playing at the inaugural ceremony of the Governor of Tennessee.

## DEPÄRTMENT

### ORCHESTRA

The concert orchestra consisting of twenty members performed at the Thanksgiving and Christmas programs, numerous banquets, and for the reception of President Derryberry. They will also play for the baccalaureate services this year.

### CHORUS

The college chorus has given many programs this year. The chorus, orchestra, and band together made a trip to Warren County High School in McMinnville to present a variety musical program. Other appearances have been at chapel exercises and Religious Emphasis Week.

## THE TECH AGGIES

### **OFFICERS**

CLADENCE LANCASTER		
Howard King	 	President, Second Hall
LAWRENCE BARTLETT .	 	Vice-Presiden
Nelson Davis		Secretar3
CLARENCE BARTLETT .	 	Treasure
MELTINI BROWN		Sangant at Aum

The Tech Aggies, one of the largest and best organized clubs on Tech's campus, has a sixfold objective. Its object is to foster a study of agriculture, promote scholarship in agriculture, provide recreational and educational entertainment for students of the agricultural department, keep students of agriculture in touch with scientific development and discoveries in agriculture, impart this information to others, and aid agricultural students in financing their way through school by helping them to obtain positions. With such a worthy objective and good organization this club has become a great influence on the life of the campus.

## HOME ECONOMICS CLUB

### OFFICERS

Charlotte Wiley	President
Maude Elrod	Vice-President
Elizabeth Adams	Secretary
Geneva Potter	Treasurer
RUTH CROWLEY	

The Home Economics Club of Tennessee Tech was organized in 1929 by and for the students who had chosen home economics as their major. Since its organization, this club has grown into one of the largest and best organized clubs on the campus.

We have cooperated with the Tech Aggies in a joint picnic during the fall quarter and a banquet in the spring. We enjoy being with the alumni at the banquet.

The high schools in our district were welcome visitors on our annual home economics day at which time they gave us a most interesting fashion show.

This year we were happy to be joint hostess at a tea for the Interscholastic Literary League and the Intercollegiate State Speech Tournament.

## THE SOCIETY OF TENNESSEE TECH ENGINEERS

### OFFICERS

RICHARD HAYS
CECIL CHAFFIN
Albert Bryan
James Foster Secretar
DON PAINTER Treasure

This society was organized in 1930 by engineering students for the purpose of uniting by means of social and technical programs the different phases of engineering, and to promote the interest of engineering in general. In the years since 1930 the society has continued to grow and now it is one of the largest and most active of the departmental clubs. The society, besides its regular bimonthly meetings, sponsors picnics and field trips. The latter is for the purpose of correlating actual engineering practice with classroom study.

## THE BUSINESS CLUB

### OFFICERS

DOROTHY GLISSON	President
KERN PITTS	
EVELYN CORLEW	Secretary
CHARLES CULBERT	

The Business Club was organized in 1931 and is composed of students majoring in business administration. The objective of the Business Club is to advance technical, vocational, and professional education at Tennessee Tech, with a desire to further the interest of all technical training departments. The purpose of this club is to foster the study of business, encourage scholarship and the association of students for their mutual advancement, to promote closer affiliation between the business world and students of business administration, and to further a higher standard of commercial culture and the civic welfare of the community.

## THE PHYSICS CLUB

### **OFFICERS**

WILLIAM P. WARREN	N	72 1

RICHARD HAYS		ry
BILLY OWENS		rei
KERN PITTS		tei

The Physics Club was organized in 1933 with Dr. A. W. Dicus as the sponsor. It is composed of students that are taking or have passed a course in physics. The purpose of the club is to develop appreciation for physics and allied science, to bring its members into contact with scientists from the outside world, and to secure wholesome social contact between those with similar interests.

## THE MATHEMATICS CLUB

### **OFFICERS**

Thurman Webb	
Cassey Killian	
Margaret Plumlee	Secretary
KENT WALTHALL	Treasure

The Mathematics Club was organized for the benefit of those interested in mathematics. The club helps to fulfill the intellectual and social needs of its members; first by the study and discussion of interesting semitechnical and historical topics; and second, by enabling the students to become better acquainted with one another and with the professors. The club strives to show the different ways and means in mathematics of today from those of ancient times.

## THE INTERNATIONAL RELATIONS CLUB

### **OFFICERS**

Cortley Burroughs First	Quarter Presid	en.
Harry GrishamSecond	Quarter Presid	en

The Tech History and International Relations Club was founded in 1932 for the purpose of studying local history and to help promote better international relations. It endeavors to link past history with current events and also places special emphasis on foreign relations in its program. The club is affiliated with the Carnegie Endowment for International Peace and each year sends delegates to the International Relations Conference sponsored by this fund.

This year the club won first place in both the stunt night activities and the boys' intramural basket-ball tournament.

## THE TECH CHRISTIAN ASSOCIATION

#### OFFICERS OF Y. M. C. A.

OFFICERS OF 1. M. C. A	l•
Frank Ashburn	
James Seay Brown	Vice-President
Joe Lane	Secretary-Treasurer
BEN WILSON	Music Director
OFFICERS OF Y. W. C. A	Λ.
Virginia Lee Fritts	
RUTH GRACE	
3.6. D	

The Tech Christian Association is maintained for the moral and spiritual development of the student body. All students are eligible for membership and are invited to attend its meetings which are held regularly under the direction of a faculty adviser. This organization cooperates with the ministers of Cookeville in encouraging students to attend the churches of their choice, sponsors the annual religious emphasis week and vesper services, sends deputations to high schools and colleges, and brings inspirational speakers to the campus throughout the year.

## THE TENNESSEE TECH BIOLOGICAL SOCIETY

### OFFICERS

Wyndolyn Barker	President
Albert Jones	.Vice-President
Martha Andrews Secre	etarv-Treasurer

The purpose of the Tech Biological Society is to promote a greater interest in biology and to keep the students of biology in close touch with scientific discoveries and developments in the field of biological science.

## THE TENNESSEE TECH CHEMICAL SOCIETY

### OFFICERS

Joe Gallagher	 	 President
ARTHUR SIMMS	 	Vice-President
FIEEN REESER		Secretary-Treasurer

The Tech Chemical Society strives to draw all students interested in chemistry and chemical work as a profession into a closer spirit of cooperation with the professors of a most unique and complete department. It gives ample consideration to all branches of a progressing field—that of chemistry.

## ENTRE NOUS

### OFFICERS

EVELVN CORT	E 397		President, First Hal
LVELIN CORL	.Lw	 	 
RUTH GRACE		 	 President, Second Hal
OLIVIA KNOW	7LES	 	 Vice-Presiden
ROSALEE WR	IGHT	 	 Secretary-Treasure
W. I. JULIAN	r	 	 Sergeant at Arm

This club, first organized in 1939 as the French Club, was reorganized last year when a major in French became possible. Entre Nous means "Among Ourselves," and the purpose of the organization is to provide opportunity for independent initiative in the use of the French language and to develop fellowship among the students. The club is taking an active part in campus life and for two years now has been host to the annual High School French Tournament.

## THE ENGLISH CLUB

### OFFICERS

CHESTER WOMACK	Presiden
Myra Smith	Vice-President
Nancy Travis	Secretary
Mary Rutledge	Treasures

This year the English Club has gained a place for itself among the outstanding clubs on the Tech campus. Taking part in various school activities, this year's membership, which is greater and more active than the membership of the previous year, has furthered the purposes of the club. They have striven to impress upon other members of the student body the value of the English department and the place of English in every student's daily life. This has been done by inviting nonmembers to hear outstanding speakers who have been on the club's programs throughout the year, and by entering various social functions. Programs this year have consisted of lectures, declamations, readings, and book reviews on such topics as religion, government, art, and music. The club participated in "Stunt Night," entered a candidate in the annual popularity contest, and in the winter quarter made a trip to Peabody College in Nashville as guests of the dramatics department for the play "Smilin' Through."

## SPEECH ACTIVITIES

A class in speech activities was organized last year for the purpose of training students in the art of preparing a speech and delivering it before an audience. Members of this class are trained for use in the Debating Club. They receive one hour credit for their work.

## PI KAPPA DELTA

The Tennessee Delta chapter of Pi Kappa Delta, a national honorary forensic fraternity, established in the spring of 1940 through the efforts of Mr. Herman Pinkerton, speech director, constitutes the first and only honorary fraternity on the campus.

The purpose of this organization is to stimulate progress in, and to promote, the interest of intercollegiate oratory, debate, and public speaking.

This year the outstanding event of the fraternity was the sponsoring of the annual meeting of the Tennessee Intercollegiate Forensic Association.

## LIBRARIAN AND STUDENT ASSISTANTS

Mr. Snelgrove, with his eighteen student assistants, makes library work both easy and pleasant. They are always ready to give prompt, courteous service.

## SPECIAL N. Y. A. STUDENTS

These youths, under the instruction of their supervisors and teachers, Mr. Elmore, Mr. Gresham, Mr. Byrom, and Mr. Lewis, are a vital part of the national defense program. They are learning the fundamentals of sheet-metal construction, use of sheet-metal machinery, and electric and acetylene welding. Their schoolwork is in related fields, engineering, and industrial arts. These boys are doing good work.

## CHATTANOOGA, 28--TENNESSEE TECH, 0 September 27, at Chattanooga

The Eagles opened their season when they met the University of Chattanooga Moccasins on the University of Chattanooga athletic field.

The first quarter showed no noticeable gains by either team, each using punts to prevent the other from gaining yardage in its territory. Toward the last of the quarter the Moccasins began a march which, when the quarter ended, placed them in scoring position.

Tucker and Hutcheson form a bulwark against the advancement of Marlin of Vanderbilt

Rukavina takes off on a wide end run against Maryville with Pete Davis leading interference

P. V. OVERALL

Coach

During the first minute of the second quarter the Moccasins finished their march to the goal. Combining passes and running attack the Moccasins finished the game on the long end of a 28 to 0 score. The Eagles' threat of the game came when a pass from Stubblefield to Cobbs looked as though the Eagles had started their comeback. Other passes fell incomplete. The backfield played good football during the whole game.

## MEMPHIS TEACHERS, 13—TENNESSEE TECH, 16

October 4, at Cookeville

Displaying a never-say-die spirit, the Eagles came from behind to down the West Tennessee Teachers, 16-13. The first half belonged to the Teachers. The Teachers' defense against passes and running attack held the Eagles while the Teacher fullback, Vulpen, sprinted fifty-one yards to the first touchdown of the game. The extra point was converted by a line buck. The half ended with the score 7 to 0 in favor of the Teachers.

The Eagles came back during the second half with the pep they lacked during the first. From their own twenty-one yard line the Eagles fought to the four-yard line. Rukavina made the remaining yards. The extra point attempt failed. The home team began another march with Alford completing

### VARSITY

Sulentic Tackle

Tucker Guard

Vulpen headed an attack which netted the Teachers another score. The Eagles resorted to a field goal when the Teachers refused to allow the Eagles to pass their thirteen-yard line during the last few minutes of the game. The field goal split the goal posts, ending the game 16 to 13 in favor of the Eagles.

### SEWANEE, 25—TENNESSEE TECH, 6

October 12, at Sewanee

The Sewanee Tigers duplicated last years' defeat of the Eagles by rolling up a score of 25 to 6. The Tigers started their drive early in the first quarter and crossed the Eagle goal line twice before the period ended.

Having made only two first downs to eleven for the Tigers in the first half, the Eagles began a dangerous attack with Bridges at the passing end and with Cobbs, Priest, and Salmon receiving.

With the ball in scoring territory and with the Tigers expecting passes, Salmon plunged over for the lone Tech score.

Tech goes over for a touchdown against Maryville
at the home-coming game

CALVIN FREY

JOHN BINNS

F. U. FOSTER

### WESTERN KENTUCKY, 6-TENNESSEE TECH, 0

October 19, at Bowling Green

In a toss-up game, October 19, the Tech Eagles lost by the score of 6 to 0. A twenty-yard pass from Crouch to Dooning spelled defeat for the hard-hitting Eagles. Frequent fumbles interrupted scoring threats by each team.

Early in the first quarter, Western, on a steady drive, went to the Tech ten-yard line but no further.

In the third quarter of the game, Zoretic of Western, carried the ball to the Eagle three-yard line and Crouch went over for a touchdown, but the play was called back.

The Eagles registered eighteen first downs to twelve for the Hilltoppers.

### YOUNGSTOWN, 28-TENNESSEE TECH, 13

October 26, at Youngstown, Ohio

Youngstown scored in the first quarter after Tech had repulsed one drive. A pass from Congemi to Bob Burns in the end zone accounted for the score.

Salmon electrified the crowd with a fifty-yard dash on the first play following the kickoff. Early in the second quarter found Salmon smashing over for one of Tech's scores.

### FOOTBALL

Aiello, after some beautiful ball handling, added another score for Youngstown. The half ended with Youngstown leading, 14 to 6.

The third period was a scoreless affair with the Penquins registering fourteen points in the final frame while Tech came through with seven.

Perantoni scored from the two-yard line for Youngstown's third score. Tech closed the gap at 21 to 13 on a pass from Stubblefield to Salmon. Heber skirted end for Youngstown for their final score.

### MARYVILLE, 0-TENNESSEE TECH, 35

November 8, at Cookeville

The Eagles did justice to the occasion by beating Maryville, 35 to 0 in the annual home-coming classic. The Eagles kicked off to Maryville. Maryville fumbled on their own twenty-five-yard line. Salmon went off tackle for the first touchdown.

At the beginning of the second quarter, Pete Davis intercepted a pass on Maryville's thirty-yard stripe. Rukavina took a lateral from Davis and raced behind beautiful interference to cross the goal line.

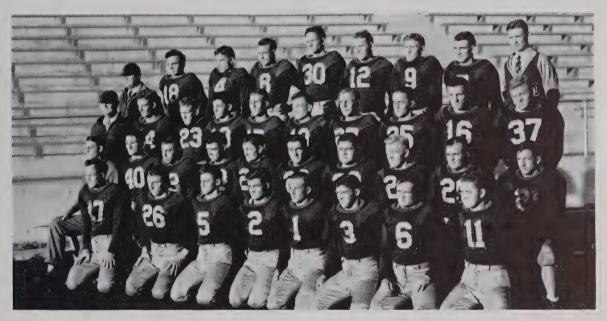

After Rukavina had advanced the ball into scoring territory, Alford went over for the third tally. Later, in the second quarter, Davis again intercepted a pass, returning the ball to Maryville's thirty yards. Stubblefield went over for a touchdown. The Eagles thirty-nine-yard line. On a double reverse, McDonald picked up were unable to score during the third quarter.

Early in the final period Stubblefield's pass to Cobbs put the ball deep in Maryville's territory. Stubblefield went over for the score and Cobbs kicked the extra point. Maryville did not threaten during the game.

### VANDERBILT, 21-TENNESSEE TECH, 0

November 16, at Nashville

The Tech Eagles led a delegation of the band, the student body, and practically all of the citizens of Cookeville to Dudley Stadium to try to duplicate the tie of 13 to 13 which they rolled up last year. Breaks and close decisions proved fatal to the Eagles. Result, the Eagles went down fighting with the score of 21 to 0 in favor of Vanderbilt.

### 1940 SQUAD

Front row, L. to R.—Arney, King, Brown, Rukavina, Henley, Hickerson, Jared, Mullican Second row—Jennings, Sulentic, Abel, Johnson, Keisling, Satterfield, Hunter, Hill, Baggett, Bilbrey Third row—Coach Overall, Cobbs, Davis, Walthall, McDonald, Billings, Tucker, Hutcheson, A. Rushing, Gracey Last row—Coach Frey, J. Rushing, Stubblefield, Bridges, Priest, Hall, Alford, Salmon, Stowe (trainer)

WALTER WELLS
Manager

Every Tech supporter was highly pleased with the performance of the home team. The Commodores took no chances as they left their first team in the game for three quarters. Benton Bilbrey, sophomore fullback, was the outstanding player of the game. Outstanding for the Commodores was Bushmiaer, who, although unable to penetrate the Eagles' pass defense, proved a dangerous running threat.

The outstanding feat of the game was a seventy-four-yard punt of Stubblefield.

### MURFREESBORO TEACHERS, 6-TENNESSEE TECH, 0

November 28, at Murfreesboro

A State Teachers' completed pass in the third quarter spelled defeat for the home team in the annual turkey-day clash. After a march of three consecutive first downs the Eagles fumbled. The reward was a penalty of half the distance to the goal line. From this point the Teachers made the lone score of the game.

Lacking necessary pep to score, the Eagles contented themselves by holding the State Teachers College team to the single tally. The Eagles threatened during the last minutes of the second quarter when they made four unsuccessful attempts from the four-yard-line.

The Eagles made fifteen first downs to the Teachers' eight. The Eagles attempted seven passes, completing only three. The Teachers attempted seven, completing four.

## VARSITY

Front row—Smith, Bush, Sadler, Bilbrey, Captain Womack, Cobbs Back row—Henry, Anderson, McCord, Phillips, Davis, Wells, Coach Overall

### DECEMBER 8

The Golden Eagles opened their 1940-41 basketball season with the University of Tennessee quintet on the University of Tennessee court in Knoxville. The Vols, led by Thomas, kept well ahead of the Eagles all during the game. Womack led the scoring of the home team with eleven points. Final score was 46 to 27 in favor of the Vols.

### JANUARY 6

The next game was played with the Jacksonville, Alabama, Teachers on the home court. The Eagles came out victorious by the score of 37 to 29 in one of the most thrilling hardwood classics ever played on the local court. The Eagles forged ahead early in the game and at the half period led 17 to 13. Consistent playing kept the home team in the lead.

### JANUARY 8

In their first meeting with the Western Kentucky quintet, the Eagles were defeated 42 to 16. Womack's thirteen points weren't quite enough to down the superior Western Kentucky five.

### JANUARY 10

On January 10, the Eagles played host to the team from David Lipscomb. Womack played beautiful basketball for the benefit of his former colleagues. His points totaled eighteen. Final score was 47 to 32.

### JANUARY 11

The Eagles played the Thoroughbreds from Murray, Kentucky, on January 11. In a thrilling battle, the strong Murray team won by a margin of one point. The score was 30 to 29. Failure of the home team to cash in on foul shots cost us the game.

### JANUARY 18

The Tech Eagles lured the Sewanee Tigers from their den to chalk up a neat score of 49 to 27 in favor of the Eagles. The Eagles began a drive early in the game which made the final outcome of the clash a certain victory for the Eagles.

### JANUARY 23

In an overtime play-off in which Tech had only four men on the hardwood, the Teachers forged ahead to beat the visiting Eagles 42-41. The Eagles took an early lead and were ahead 28 to 18 at the half-way mark. The Teachers tied the score at the end of the third period. Three of the Eagles fouled out, leaving only four men to finish the game for the Eagles. Wells led the scoring by chalking up a total of fourteen points.

### JANUARY 24

The Eagles were handed a second defeat from the strong Murray team on January 24. This time the Thoroughbreds took advantage of being on their home court and chalked up a 66 to 26 victory over the Eagles. Culp, of Murray, led the scoring with fifteen points.

Womack reaches for the goal in the game with the Chattanooga Moccasins

#### JANUARY 28

On January 28, the Tennessee Wesleyan College team met the Tech Eagles on the Tennessee Tech court. In a hard-fought battle, an overtime period was required to decide the clash 42 to 40 in favor of the home team. Wells' neatly placed field goal decided the game in favor of the Eagles.

#### JANUARY 31

On January 31, the Eagles met the Delta Staters with their All-American, Blacklidge. Womack, of Tech, outscored the All-American by one point. The home team showed that they couldn't be frightened in the face of a superior opponent as they held the Delta State Five to a 41 to 36 defeat over the Eagles.

#### FEBRUARY 4

The Western Kentucky Teachers invaded the Eagles' nest and carried away a victory over the hard fighting home team. With the large Western Kentucky men towering over them, the Eagles played good ball to hold the quintet 51 to 31.

#### FEBRUARY 8

One of the most exciting of the home games was the West Tennessee Teachers-Eagles tilt here in which the Eagles downed the Teachers 32 to 29. The first period ended 21 to 21 with both teams giving all they had. Neither team was more than three points ahead of its opponent during the period.

Pete Davis was especially outstanding as a defensive player. Bilbrey seemed to get every ball off the backboard. The team as a whole gave one of its best performances of the season. Womack was the high score man with thirteen points.

#### FEBRUAY 9

The Eagles journeyed to Cleveland, Mississippi, to be defeated 41 to 37 by the Delta State Teachers in a Saturday night tilt. With plenty of pep and fight, the home team showed what they could do when they met real opposition. Wells led the scoring for the Eagles with eleven points while Blacklidge led the scoring of the game by marking up twenty points for the Delta.

#### FEBRUARY 18

The University of Chattanooga visited the Cookeville court to return home a sadder but wiser quintet, having suffered a 43 to 24 defeat at the hands of the Eagles. Barbee of the University of Chattanooga led the scoring with twenty-four points. Womack of Tennessee Tech was second with twenty-two points.

#### FEBRUARY 21

Proving that the Eagles were superior to the Sewanee Tigers, even on the Tigers' home ground, the Eagles again finished on the long end of a 42 to 23 score. Womack scored more points (twenty-six) than the whole Sewanee team.

#### FEBRUARY 26

The Eagles motored to Chattanooga where they encountered the University of Chattanooga Moccasins. Wells led the attack, closely followed by Womack and Smith. Final score was 35 to 32 in favor of the home quintet.

# T R A C K

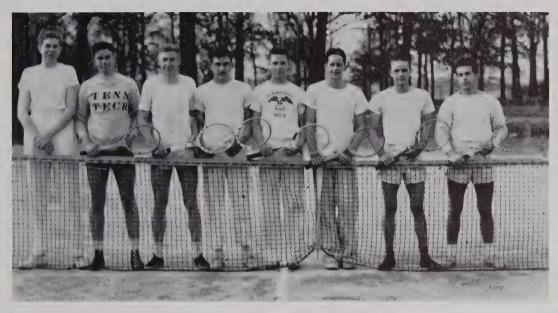

Front row, L. to R.—Upchurch, Moore, Womack, Cobbs, McDonald, Rukavina Second row—Crowley, Bilbrey, Steakley, Henry, Hix, Hart Third row—Priest, Dicus, Gracey, Lancaster, Rushing, Frey (Coach)

Tech had a large and well trained track team this year. The schedule was rather short, but it was a tough one. A number of the boys: Sulentic, shot put; Gracey, discus thrower; and Steakley, pole vault; have been rather outstanding. The boys in the running events have done good work also.

# FRESHMAN FOOTBALL

#### OCTOBER 4

The Baby Eagles opened their season with a trip to the mountains to encounter the Sewanee Frosh who defeated the Eagles 7 to 0. With a 0 to 0 deadlock at the half-way mark the Eaglets looked as though they were going places. As the third quarter opened, Logue took the ball on the kickoff and raced ninety yards to pay dirt. Kiger converted the extra point. Every Tech man played commendable football.

#### OCTOBER 12

In a game in which the deciding factor was the team which had the most reserve strength, the Eaglets went down fighting on the small end of a 33 to 7 defeat. The Tech Frosh were ahead at the half, 7 to 6, but they soon exhausted their reserves and fell victim to the University of Chattanooga eleven.

#### OCTOBER 25

The Murfreesboro Frosh visited the home griding to be held 0 to 0 by the hard fighting Baby Eagles. Neither team threatened the goal line of the other. The game consisted of a series of unsuccessful drives by both teams.

#### NOVEMBER 1

Tech's Baby Eagles fell at the hands of the West Kentucky Frosh, 24 to 0. The first half ended in a 0 to 0 draw, but with the opening of the second half, the Kentuckians started their scoring attack and made twelve points in the third period and added twelve more in the final period.

Tech's passing attack from Tucker to Locke was completed but failed to score. The Eagles' entire forward wall played a bruising game.

# GIRLS' ATHLETICS

Under the direction of Miss Elsie Jobe, Tech girls may participate in many sports. Intercollegiate sports for girls are not sponsored at Tech, but they may compete with each other in intramurals. The sports consist of tennis, archery, basketball, badminton, and tumbling exercises.

## Appreciation . . .

The members of the staff of the 1941 TECH EAGLE take this opportunity to express our sincere thanks to the business firms of Cookeville and surrounding communities that have cooperated with us in the publication of this yearbook. The success of this book lies in the financial aid received from these business men. It is our belief that loyal Tennessee Tech students will return the kindness from year to year to the business firms whose advertisements appear on the following pages.

CECIL CHAFFIN,

Business Manager.
